

Highlights of Community Council Meeting February 6, 2019

Meet the Candidates:

Stuart Lewis from Assn. 4

Keith Pierce from Assn. 9

Security:

The Security group is going to try to make the paving project go as smooth as possible. Thank you for your understanding.

Administrative:

The Rec. Board is revising the Escrow Administrator job description and will be hiring a new employee to help with that task. The Board is also updating the Procedures and Policy's. Kathy Simpson is working on wrapping up the 51.3 project.

Recreational:

The Golf Course is now open again. One of the Auditorium doors has been repaired. The HVAC system is under review as is the main building roof (Office to Annex).

Introduction of candidate for Secretary Anne Montgomery.

Open Forum:

Concern for traffic at the Whispering Leaves gate during street repair was discussed.

Spectrum charges for a Router were discussed. Spectrum provides a Modem to gain access to the Internet and charges \$5 a month to rent a Router which provides WiFi to your home. You can buy your own Router for WiFi and avoid the \$5 extra charge. Also available is a combination Modem/Router.
