## **Contacting the Villager Voice Editor**

I received an anonymous voice mail message the other day, and I would have loved to respond to correct some of the caller's misunderstandings, but she didn't include a name or a phone number. If you leave a comment or question, I would appreciate a way to contact you so I can return the message. Thank you, *Sharon*

## **New Tax Laws for 2018**

There is an interesting online article about the various new tax laws that take affect this year, and suggestions on how to keep more of your own money (always a good idea)! While this article highlights several areas of the new tax bill that may not affect you personally, there are many more that may be relevant. While these changes take effect for this 2018 tax year (which means they do not apply to the return you will file this April), now may be a good time to review your personal or business taxes so that you're prepared for the 2018 changes. You may find the article here: <https://tinyurl.com/taxinfo2018>

## **Street Parking**

Just a reminder: it is against DMV laws and our own CC&Rs to park in front of (and thus block) driveways and garages, and Security has been instructed to ticket cars that violate this rule. This wouldn't apply, of course, if you are in the process of loading or unloading your vehicle. Also, because of the limited street parking, our CC&Rs also state that one car must be parked in your garage. Please be courteous to your neighbors and their guests.

## **Used Greeting Cards Needed**

For our Friendly Valley Scrapbooking Club, Berni Cuttino collects any kind of greeting cards: Christmas, Birthday, Anniversary, Congratulations, etc. Instead of tossing out these cards after you have read them, please consider donating the cards to our club. For more information, contact Berni at [bmcuttino@gmail.com](mailto:bmcuttino@gmail.com) or call 661-252-1619. "Reduce, Reuse, Recycle!"

## **Friendly Valley Twirlers Square Dance Class**

The Friendly Valley Twirlers square dance class is officially closed for new members. If you attended the first few weeks, please continue to come and learn more calls. We now have about 20 calls under our belts and will be learning two more this Tuesday, January 30, from 10-12. The class is closed to newcomers so that we can progress through the calls without having to be taught the first 20 over (and over) again. Hopefully we can catch more people when the class repeats in the future.

## **Corrections from the Last Issue of the Villager Voice**

Laura's Diner is where Telly's used to be, not Kelly's.

The Time Warner/Spectrum price difference is for Internet service only, and not related to our contracted Friendly Valley bulk account.

If you have any comments or wish to submit an article for the *Villager Voice*, please contact Sharon at [music5353@gmail.com](mailto:music5353@gmail.com) or leave a message at (661) 776-5515. To correct information on the inside pages, call the Friendly Valley office at (661) 252-3223.
