Hello All, the following are a few important announcements and upcoming events in Friendly Valley.

Street, Curb, & Sign Painting

Now that there are signs that "El Nino" will retreat into hibernation, we have begun the process of surveying our streets in order determine a schedule for the repainting of curbs and road signs throughout the community. The worst cases will receive first priority as we proceed in our mission of completion throughout the summer season. As each street is scheduled, signs will be posted prior to any work so that residents will have ample notice of required temporary NO PARKING ZONES. Thank you for your patience and cooperation.

Let There Be Light

The installation of new lighting in the Auditorium is complete. The new long-lasting, low energy-consuming LED spotlights and overhead fluorescent bulbs will be virtually maintenance free for many, many years. The upgrades to our lighting systems arrived just in time for the Little Theater's latest production!

"A Good Time Musical Extravaganza"

The Little Theater group has worked extremely hard to offer our residents an entertaining night out in our own community. Please support this talented, hardworking organization with your patronage.

- Saturday, April 6th & 13th at 2:00pm
- Sunday, April 7th & 14th at 2:00pm
- Friday, April 12th at 7:00pm

All shows will be in the FV Auditorium. Tickets are \$5.00 at the door and are also available from anyone in the Little Theater production. We hope to see you there!

Some Like it HOT!

After those chilly winter months, the pool temperature has been raised back up to 85 Degrees. The malfunctioning spa jet has been fixed. And, the broken light fixtures in both the pool and spa have been replaced – just in time for the warmer weather!

2019 - 2020 F.V. Directory

Good news! The Friendly Valley Directory has been sent off for layout and printing and will be available very soon. The FV Directory Business Advertising/Contractors section has been completely revamped and you won't want to miss it! Stay tuned for more information on the release date.
