## **New Gym**

The Rec Board has received several comments, concerns, and suggestions regarding the fitness center equipment. In response, we have evaluated and determined that the existing Universal gym is no longer acceptable for use by our residents. It is in the best interest of our community to replace some of the equipment with more modern and versatile machines that better guarantee safety and the ease of operation for both men and women.

Once the new gym is installed, we plan on reorganizing the room to accommodate the most useful and popular devices. To assist us in doing this, we began the process of evaluating the usage of other pieces of equipment. To start our survey, for a two-week period, work out participants will find a sign-in-sheet dedicated exclusively to the Bow Flex machine. When you use this machine, please chart your usage times so we can compile accurate data which will aid us in making the correct decisions to upgrade the center. Once completed, surveys on other equipment will follow.

The Rec Board will continue to work towards the best interests of our community and is always focused on the safety and well-being of all residents. We foresee an easy and simple transition during the gym improvement process. Our most sincere thanks for your support with these future upgrades.

### **Thank You, Keith Jepsen:**

On Monday, January 28<sup>th</sup>, the chatter from law enforcement helicopters blades and the glare from their searchlights caused an unsettling feeling within our gates. Our community could have suffered a much different ending, but that was dodged by an assist from one of our own. Concerns for our well-being were quickly avoided when Security Guard Keith Jepsen decided to go above and beyond his job description to aid deputies. On behalf of all of our grateful residents, we wish to thank you, Keith. If you see him patrolling our streets that remain safer because of his efforts, please take the time to personally relay your appreciation for his heroics.

### **Spectrum Wifi Charge:**

Many residents have been calling about a \$5 Wifi Charge on their Spectrum bill. Please be aware that if you are using a Spectrum modem and router for wifi, there is a \$5.00 charge to rent the equipment. If you have your own modem and router, there is no charge. If you believe there has been an error on your bill, *please call Spectrum at 833-697-7328.*
