Friendly Valley Voice

By: Board of Directors

Friendly Valley Recreational Association, Inc.

A Change in Plans

As many of you may have noticed, the Friendly Valley Parkway Repaving Project has not begun. Please be aware that, due to the weather, the repaving project has been postponed *until further notice*. Please be on the lookout for updates as we get more information on the new start dates.

Fitness Center

As part of the continuing effort to upgrade the Fitness Center, and to help minimize health concerns, the Recreational Board has purchased two new, gym-quality sanitizing stations that will soon be installed in our facility. One is a wall-mounted wipe station, stocked with disinfectant wipes for cleaning equipment prior to use. The other is a mounted foam sanitizer to use to specifically safeguard the hands. We urge residents to utilize both products in order to limit the spread of germs and bacteria, especially during the cold and flu seasons.

Pet Etiquette

We have received several reports/complaints of some residents not picking up after their dogs in the common areas. This is **UNACCEPTABLE**! Please obey the rules that govern our recreational grounds and remember that pets are not to be walked in any of these grass sections. This includes the pathways that meander through the open expanses behind the pool and near the lawn bowling greens. Please also be respectful of your neighbors' properties in the individual associations with regards to cleaning up after your pets. And *please* be courteous and dispose of *your* pet's waste in *your* own trash can.

Notary Service Change

Effective immediately, the Business Office Notary will **ONLY** be available to notarize Country Club Agreements for new buyers. If you need a Notary, please use the local services that are available, such as a mobile notary, banks, or your local mail/shipping store.

Questions? Comments? Concerns?

Please submit a Request Form to the Business Office or on the FV website and a Director will get back to you.
