**Friendly Valley Voice**

**By: Ruth Gauthier, President**

**Friendly Valley Recreational Association, Inc.**

## **Everyone Deserves Respect**

The first topic the Rec Board would like to address is the treatment of our Friendly Valley Office Staff. This article was inspired by the recent mistreatment of one of our staff members by a resident that was upset about a dispute regarding the Memorial Day Service. I speak for all of the Directors of the Recreational Association when I say we will not tolerate *any* form of abuse or disrespect.

## **Treat Others How You Would Like to be Treated**

When you call or come into the Office, you will always be treated with respect, so we ask that you treat our staff with that same respect in return.

## **Something to Keep in Mind**

Our staff members, both in the Business Office and Security, do not make the decisions. They simply follow the rules and procedures that were put in place by current and previous Boards. Please consider this as we examine, highlight, and enforce specific rules that may differ from the way things used to be done. If you see or are informed of something that you disagree with, instead of turning to anger first by yelling or insulting the staff or hanging up or storming out, take a moment to *breathe* and then try to ask for more information about what can be done to resolve the issue. The Friendly Valley staff are here to help you and they will do so to the best of their ability. In the event that they are unable to help you, please fill out a Request Form either to your Association Board, the Rec Board, or Community Council and you will receive a response from a board member.

## **Stop the Negativity**

The current Board of Directors has been and will continue to be willing to sit down and discuss any disputes or differences of opinion. We will try to work through any and all situations because we consider everything on a case-to-case basis. All you need to do is ask to meet with the Directors. There is no need to spread rumors or mistreat the staff or yell at us at our monthly meetings and then storm out. We are all adults here, let's start acting like it!

## **Final Thoughts**

Every month during the Rec Board Meeting I give a monthly report and at the end of the report I say, "This Board of Directors would like to make Friendly Valley a better place to live and we ask for your assistance in doing that. Please help us help you." With that in mind, let us work together and put the "friendly" back in Friendly Valley. Thank you.

## **Questions/Comments/Concerns?**

If you have a suggestion or a question about any rules that need clarification, please come to the Friendly Valley Business Office and fill out a Request Form to the Rec Board. Your topic may be addressed in the upcoming Friendly Valley Voice Articles. You may also submit request forms online at:
