- You might consider watching *A Star Is Born*, the new movie starring Bradley Cooper and Lady Gaga. A portion of the movie was filmed here in Friendly Valley. See if you can recognize Friendly Valley on the big screen!

## **Food for Thought**

It's that time of year again. With Annual Election season upon us, you may be thinking of ways that you could get involved in your community. Some of you may consider running for your Association's Board of Directors, while others may run in the opposite direction. If you are one of those who is not interested in running for an Association Board, but you would still like to get involved and give back to your community, there are many ways to do so.

Consider signing up for the Good Neighbor List if you are able to help with grocery shopping, rides, or light handyman work, etc. You can sign up in the Business Office. If you are unable to volunteer your time to the Good Neighbor List or other charitable clubs, another way to make Friendly Valley a nicer place to live is to carry a positive attitude. A hello and a smile goes a very long way. The next time you are walking around your neighborhood or attending a social or Board Meeting, perhaps you can take a moment to thank those who do volunteer their time to serve the community, whether it be on Association Boards, volunteering on the Good Neighbor List, or delivering the Villager. Thank you for reading.
