Friendly Valley Recreational Association, Inc.

Cornhole is Coming to FV!

On Monday, August 19th, a demonstration of Cornhole, hosted by residents Wendy Alfaro and Trevor Budhu, was put on display in our Auditorium. Over 20 attendees were indoctrinated to the rules, skills required, and scoring system of the game.

In the interest of supporting recreational activities in our community, the Rec Board has decided to initially purchase two Cornhole boards and bean bags for resident use. The equipment will be made available for check out through Security at any time during normal recreational facility hours. Since the game is mobile, it can be set up for play in any convenient and available outdoor area. If an inside location is desired, days and times will have to be coordinated and approved through the Business Office.

Cornhole is quickly becoming a popular game that is fun to participate in and easy to learn. Although competitive Pro Level matches are televised, the game is more about good times than winning. Games are not physically demanding and aim, accuracy, and concentration prevail over strength and speed. The game can be played individually or by teams and co-ed participation is encouraged.

Cornhole could certainly become a "club friendly" activity that would be supported by the Rec Board. Leagues could be formed and individual or team competition could make for days or evenings of an entertaining social event. If anyone is interested in organizing and overseeing a Cornhole Club, please contact Rec Board director Michael Fennick to discuss requirements and potential future possibilities.

Frequently Asked Questions

- *Are there video cameras in the Pool Locker Room or Restrooms?*
 - Contrary to what you may have heard or read, there are **NO** video cameras in the Locker Room / Shower Area / Restrooms near the Pool.
 - Video cameras are located at the Front Gate and the Whispering Leaves Gate only.
- *Will there be free Flu Shots this year?*
 - No. Unfortunately, the F.V. Health Fair has been cancelled this year. For those of you that relied on the free flu shots, other arrangements will have to be made.

Gate Cards

Until further notice, any and all Gate Card requests will be handled *within 24 hours* instead of immediately when residents come in. If you lose your gate card or your gate card stops working, please drop it off at the Business Office and you will be called when the replacement is ready. In the meantime, you may use the Guest line at the Front Gate to enter Friendly Valley. We apologize for the slight delay in service, but we appreciate your cooperation and understanding. Thank you.

Reminder

This is a reminder to have patience with your Board Members – many forget that they are *volunteers*! All non-urgent matters and work requests should be submitted on a Request Form either online or in the Business Office. Please do not call your Board Members at home! Please allow your boards a reasonable amount of time to process and take care of non-urgent matters. Urgent matters and work requests can be directed to the Office Staff who will then pass it on to your Board right away.
